Sir:

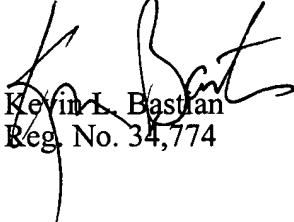

The references cited on attached form PTO-1449 are being called to the attention of the Examiner. Copies of the references are enclosed. In addition, applicant encloses a copy of an International Search Report dated May 31, 1999 which was issued in conjunction with the above referenced international application, and in which these references were cited.

It is respectfully requested that the cited references be expressly considered during the prosecution of this application, and the references be made of record therein and appear among the "references cited" on any patent to issue therefrom.

534 Rec'd PCT/PTO 25 SEP 2000

As provided for by 37 CFR 1.97(g) and (h), no inference should be made that the information and references cited are prior art merely because they are in this statement and no representation is being made that a search has been conducted or that this statement encompasses all the possible relevant information.

Respectfully submitted,

Kevin L. Bastian
